THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

National Intelligence Council

10 November 1981

MEMORANDUM FOR: See Distribution

FROM : [REDACTED]  
National Intelligence Officer for East Asia

SUBJECT : Proposed East Asia Warning Agenda (U)

The following items will be considered at our 18 November warning meeting. It is requested that those Agencies indicated take the lead on their respective issues.

Kampuchea -- Dry Season: What is the likely effect of the onset of the dry season on military and related activities in Kampuchea? Are our existing monitoring activities sufficient to insure that we become aware of significant developments in a timely manner? [REDACTED]

25X1

Korea -- DMZ Incidents: There have been a number of recent developments in the vicinity of the DMZ involving overflights -- real and alleged -- and firefights. None of these activities are unprecedented. [REDACTED]

25X1

Although not related to warning, we would like to discuss topics under consideration for future interagency treatment.
